

District 1

BALLOT

VOTING INSTRUCTIONS:

Welcome to the ballot for Greensboro Participatory Budgeting. You are about to vote on how to spend \$100,000 in your district on community projects.

The following pages will help you familiarize yourself with the projects proposals in your district for 2016. You may choose up to five (5) projects. If you select more than 5 projects, your ballot will not be counted.

Voting is open to all residents of Greensboro, ages 14 and up. If you know someone else who would like to vote, please see times and locations for more voting opportunities.

HOW TO CAST YOUR VOTES:

Mark boxes clearly with an "X" or check mark, or fully shade them in, with black or blue ink. No ballots marked in pencil will be accepted.

SPECIAL PROJECTS

- 4. Bus Tracking Mobile Application** **\$18,000 (\$90,000 total)**
 This is a city-wide project to create a bus application for one year for city-run buses. This program will allow users to download and use the program from their respective app stores. The GPS locations of the buses will be collected through GPS units that will be installed on city buses that will transmit its location to the cloud.
This project must win on all district ballots.

ARTS & CULTURE

- 5. Playprint at Glenwood Recreation Center** **\$7,000**
 This project is to add playprints at Glenwood Recreation Center. Playprints are colorful street game paintings on the sidewalk and/or the road on the way to the park such as hopscotch and foursquare. *“Artwork proposals are for a one-time installation at the specified location up to the maximum price as indicated on the ballot. Specific depictions will be determined with public input at a later date in accordance with state law.”*
- 6. Bus Mural** **\$8,000 (\$40,000 total)**
 This project entails featuring a local artist’s work on one of the City of Greensboro’s public buses.
This project must win on all district ballots.
“The time frame for art on buses may vary based on the cost of the art design, size of the art display, the length of time the art is displayed, installation and removal costs, and approval by the GTA Board.”

PARKS & RECREATION

- 7. Shade Cloth Covers at Warnersville Pool** **\$15,000**
 This project is to add shade cloth covers at the Warnersville Pool that would provide shade to residents who would like protection from the sun but still want to be outside.
“The size of the pool shade may vary based on the costs for installation and configuration of the pool deck.”
- 8. Updated Equipment in Woodlea Acres Park** **\$8,000**
 This project would update the playground equipment at Woodlea Acres Park. The playground equipment is outdated and does not look safe. In addition, the equipment has not be updated for some time.
- 9. Weatherproof Stone Game Table (Location being designated)**
 This project is to put weather proof stone game tables in a park in the district. Many adults would like to establish friendships in neighborhood parks and teach others the valuable art of chess.
 1 Table - \$10,000 2 Tables - \$20,000 3 Tables - \$30,000

SAFETY & ENVIRONMENT

- 10. Pet Waste Basket in Benbow Park** **\$300**
