

What Would You Do With \$1 Million?

There's \$1 million available in your community for improvements like parks, school repairs, transportation, and more. **And you decide how it will be used!**

Community members – like you – can propose projects and vote on which ones get included in the City budget.

It's a new way to make decisions about publicly funded projects, and it's called Participatory Budgeting.

Come to a Neighborhood Assembly to propose a project, or to find out more.

Share your ideas on:

Wednesday, October 19th,
9:30 AM – 12 noon at
Union Settlement
237 E. 104th Street
between 2nd Ave & 3rd Ave

(También en Español!)

- * Food will be provided at all assemblies.
- * Childcare will be provided at evening assemblies.
